Certificate of Warranty

Installation of these products by the Purchaser shall constitute Purchaser's acknowledgement and acceptance of the terms and conditions for sale and of this warranty, and shall constitute the Purchaser's determination of the suitability of this product for the Purchaser's intended application. Radio Design Labs, also referred to as RDL⁴, warrants to the Purchaser that these products are free from defects in material and workmanship. This warranty applies to the period of three years from the date of shipment, except for component parts purchased from other sources and assembled in RDL's production. Such component parts bear only the warranty of the manufacturer thereof in effect at the time of shipment to the Purchaser. RDL will, without charge, and after written notice has been received and acknowledged by RDL, repair this product if proved to be defective according to the usage of the trade, when such equipment is received by RDL at the location it designates with shipment costs prepaid by the Purchaser. RDL shall not be liable for any expense whether for repairs, replacements, material, service, or otherwise, incurred by the Purchaser or modifications made by the Purchaser to the product. No equipment shall be deemed defective if it shall fail to operate in a normal or proper manner due to exposure to excessive moisture in the atmosphere, excessive temperature extremes, improper environmental cleanliness, or any other environment not consistent with the principles of good engineering practice. In no event shall RDL have any liability for consequential damage or expense directly or indirectly arising from the use of the products, or any inability to use it either separately or in combination with other equipment or materials, or from any other cause, whether used in accordance with instructions or not. This warranty is void if equipment is altered in any way by others than RDL. RDL products are NOT intended for use in life-support appliances, devices, or systems. Use of RDL products in such applications is done solely at the liability of the reseller/installer and/or end user. RDL reserves the right to change design parameters and specifications at any time without notice. The performance measurements reflect the products at the time of printing. This warranty is in lieu of all others, either expressed or implied. No representative is authorized to assume for RDL any other liability in connection with RDL products.

Terms & Conditions

1. Minimum billing is Euro 75,00.
2. All orders are basically billed on Prepaid terms unless an RDL credit is established for Net 30 days.
3. International Payments: Payments for all orders, either for cash prior to shipping or on open account are by wire transfer or by guaranteed bank cheque. Each customer is responsible for all originating bank charges with the issuing bank. A delay in shipment will occur if these fees are deducted from the invoice payment to the RDL account.
4. Freight: Customer is responsible for freight charges. All claims for damages or missing shipments are to be made by the purchaser against the carrier.
5. All prices are subject to change without notice. International customers are responsible for all duties and/or taxes.
6. Retention of Title: All goods remain the express property of RDL Europe B.V. until invoices relating to their payment are settled in full.

Return goods policy

1. No merchandise may be returned for credit or exchange without prior approval & must be within (6) month of the manufacture date.
2. Any authorized return must be shipped freight charges prepaid. All returns subject to inspection by RDL.
3. Product shipped to customer under warranty replacement is via ground service provided by RDL. RDL will gladly provide expedited service for the difference in shipping charges.
4. Restocking charges of 15% will apply to items returned for credit. All such returns subject to inspection by RDL.

Power requirements.

1. Products are priced without power supplies. Purchaser is responsible to acquire a 24 Vdc power supply which is compatible with country of destination. Available RDL power supplies are either North American standard models, Continental European models or universal input switching supplies.
* EZ active products except for the EZ-PD3, HD active products, RU-PA40DE, TX-PA40DE, FP-PA-35A, FP-PA18 and the FP-PA18H are priced including power supply.

This Agreement shall be governed by, and interpreted under, the laws of the Netherlands and the European Union without giving effect to principles of conflict of laws that would require the application of any other law. Any lawsuit, action or proceeding arising out of or relating to this Agreement shall be instituted only in Amsterdam, The Netherlands, and the Parties hereby irrevocably submit to the exclusive jurisdiction of this courts.

By ordering any RDL or RDLEZ product customer automatically agrees with the above statement.
